

"Why would you devote an entire study conference to talking about sex?" someone asked. In a broken and hurting world that has lost sight of God's intention for human sexual expression, the need for a compassionate and faithful response is as great as it ever was. We need to know how to speak and live redemptively in the midst of the sexual confusion, sin and brokenness around us and in us.

Recently representatives from Mennonite Brethren churches across Canada gathered in Edmonton (Oct. 16-18) for a Study Conference on human sexuality. The theme of the conference was based on 1 Corinthians 6:19-20 *"You are not your own; you were bought at a price. **Therefore honor God with your body.**"*
